

List Profile for: Directory of Architects & Designers-with Email List Type: Business

What's This List About?

This database contains details on the Primary Contact/Senior Decision maker at over 3000 Australian Architectural and Interior Design Firms.

The file provides unparalleled access to this market as well as a unique range of selections to assist in targeting the right companies, including project value range.

This nationwide directory is intensively researched and updated regularly and completely revised annually, and has been on the market for over a decade now. Around two-thirds of the database also has an email address.
